HRB Digital LLC (“Block”)<sup>1</sup> hereby submits this motion (the “Motion”) for entry of an order allowing Block an administrative expense in the amount of \$485,448, pursuant to section 503(b)(9) of Chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) in the case of debtor Circuit City Stores, Inc. (“Circuit City”) Case No. 08-35653-KRH (collectively with the other debtors in these cases, the “Debtors”).

Counsel for HRB Digital LLC

<sup>1</sup> Block’s invoices list “H&R Block Digital Tax Solutions LLC” as the name of the entity selling the product to Circuit City. However, on February 28, 2008, H&R Block Digital Tax Solutions LLC filed a name change to HRB Digital LLC with the Delaware Secretary of State, and therefore HRB Digital LLC is the proper party to make this claim.

In support of its Motion, Block respectfully states as follows:

**JURISDICTION AND VENUE**

1. This Court has jurisdiction over this motion pursuant to 28 U.S.C. §§ 157 and 1334. This matter is a core proceeding pursuant to 28 U.S.C. § 157(b)(2).

**BASIS FOR RELIEF**

2. Sections 503(a) and 503(b)(9) of the Bankruptcy Code authorize the relief requested in this Motion.

**BACKGROUND**

3. On November 10, 2008 (the "Petition Date"), the Debtors filed their respective voluntary petitions in this Court for relief under chapter 11 of the Bankruptcy Code. The Debtors remain in possession of their property and management of their businesses as debtors in possession.

4. After the commencement of these cases, Block sold to Circuit City TaxCut® software discs for retail sale in their stores (the "Post-Petition Goods"), and shipped those discs to Circuit City. The shipments took place in December, 2008. The total amount of these confirmed received shipments was \$749,448.00. On January 8, 2009, Circuit City made one payment of \$264,000 to Block for these shipments. In February of 2009, Block credited Circuit City for advertising/rebate funding referenced under Circuit City description 97768DV#71097 in the amount of \$972.00 and 97776DV#71097 in the amount of \$18,909. Therefore, \$465,567 remains to be paid (the "Administrative Amount").<sup>2</sup>

**RELIEF REQUESTED**

5. Block requests immediate payment of the Administrative Amount as an administrative expense under Section 503(b)(1)(A) of the Bankruptcy Code.

---

<sup>2</sup> Block and Circuit City negotiated a 1% discount to be applied if Circuit City paid invoices within sixty days of shipment. Because Circuit City has not paid the invoices, that discount does not apply.

RECEIVED

JUN 30 2009

**ARGUMENT**

6. Section 503(b)(1)(A) of the Bankruptcy Code provides that there shall be an allowed administrative expense claim for "the actual, necessary costs and expenses of preserving the estate . . . for services rendered after the commencement of the case." 11 U.S.C. § 503(b)(1)(A). Furthermore, the expense must have arisen from a post-petition transaction between the debtor and Block. *See In re Unidigital, Inc.*, 262 B.R. 283, 288 (Bankr. D. Del. 2001).

7. The Post-Petition Goods shipped after the Petition Date clearly arise from post-petition transactions with the Debtors. Furthermore, the Debtors have likely already used or will use these goods and therefore the transactions benefited the estate. Accordingly, Block is entitled to an administrative claim for these amounts.

**RESERVATION OF RIGHTS**

8. Block reserves any and all of its rights under the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure, or other applicable law.

**WAIVER OF THE MEMORANDUM OF LAW REQUIREMENT**

9. Pursuant to Local Bankruptcy Rule 9013-1(G), and because there are no novel issues of law presented in this Motion, Block requests that the requirement that all motions be accompanied by a written memorandum of law be waived.

**NO PRIOR REQUEST**

10. No previous request for the relief sought herein has been made by Block to this Court or any other Court.

WHEREFORE, Block respectfully requests that this Court enter an order: allowing the administrative expense as described herein, requiring the Debtors to pay to Block the amount of \$465,567; and for such other and further relief as the Court deems appropriate.
